

US Team Racing Championship – Information for Competitors

The Foundry is looking forward to welcoming you to Cleveland for the 2018 US Team Racing Championship and would like to provide you with some information that may help you with your planning for the event.

Venue

The Foundry is a 2-facility organization. The sailing center is located in the Historic US Coast Guard Station on Whiskey Island (“The Station”), and the headquarters and rowing center are located at 1831 Columbus Road, Cleveland OH. **The sailing venue does not have an address**; the closest address is 2800 Whiskey Island Drive, which is a restaurant named the Still & Eatery. Once you reach the Still, continue to the right, along the train tracks and down the dirt road. You will park in the lot at the end, and walk or be shuttled down the causeway to the Station. Our web address is www.clevelandfoundry.org. Telephone (440) 596-7069.

For those flying, the closest airports are Cleveland Hopkins (CLE) and Akron/Canton (CAK). CLE is approximately 20 minutes from the sailing venue, and CAK is approximately one hour away.
