Adams Memorial Trophy is being amended below to rectify a conflict between the NoR and the USWMRC web page as to the number of skippers being invited to the 2019 USWMRC and the invitation process as it relates to said number. To rectify the conflict the NoR is hereby amended as follows:

1. **NoR Section 5.1:** The first sentence of section 5.1 of the NoR which states *"Up to eight (8) female skippers will be invited."* is hereby deleted in its entirety and replaced with the following new sentence *"Up to ten (10) female skippers will be invited."* The remainder of section 5.1 shall remain the same.
2. **NoR Section 6.1(c):** Section 6.1(c) of the NoR is hereby amended by deleting said 6.1(c) in its entirety which states as follows *"(c) The Selection Committee may issue up to 6 invites by May 1 for those skippers who have submitted a Request for Invitation prior to April 25, 2019. Remaining invites will be issued June 25, 2019 based on requests received by June 20, 2019."* and replacing said deleted section 6.1(c) with the below new section 6.1 (c) which states as follows:

(c) The Selection Committee may issue up to 6 invites by May 1 for those skippers who have submitted a Request for Invitation prior to April 25, 2019. The Selection Committee may issue up to 2 additional invites on or before May 15 for those skippers who have submitted a Request for Invitation prior to May 10, 2019. Upon being informed of any of the foregoing invitations being declined, the Selection Committee may elect to send out a replacement invitation immediately. The remaining two (2) of the original ten (10) invites will be issued on or before June 25, 2019 based on requests received by June 20, 2019.

All other sections of the NoR remain unchanged, including Section 8.2 which states as follows *"Eight (8) boats will be provided."*
