

SAFESPORT ANTI-HARASSMENT TRAINING (Free for all US Sailing members.)

1. Go to the SafeSport training website:
<https://safesport.org/authentication/register?token=9d8ee5fa-5241-4dd2-a606-199d2f21e097>
2. Create an account (if you haven't done so already) using your US Sailing member ID.
3. Follow instructions for online training.

The initial SafeSport course takes approximately 90 minutes to complete which does not have to be done all at one time. Successful completion will be automatically entered in the US Sailing member database. The training is good for one year. To maintain your SafeSport training, take a refresher course (20 minutes) annually. If you fail to take a Refresher course each year, your SafeSport training will lapse and your US Sailing certification will not be valid.

The first time you go to the SafeSport training website, you will be asked to register using your US Sailing member ID. This will allow you to easily log in and out to complete the training.

Once you have registered, you will be able to start the training. To continue a training session started earlier, go to <https://safesport.org/> and login to reengage with your training. When you complete the course, you can download the "SafeSport Trained" certificate. If you volunteer in another sport, this certificate can be used to show that you have completed SafeSport training.

Questions about registering? Contact SafeSport Technical Support Help Desk - (720) 676-6417.
