	PWE	250	250	230	230	220	230	240	260	270	270	270
	ECMWF	200	220	210	220	220	230	250	250	260	260	270
	GFS	210	200	210	210	220	220	230	230	230	220	220

On a few occasions the weather mark has been close to Lido Isle leaving a short (six boat length) starboard lay line. This resulted in several boats tacking in the zone. We will try and move the weather mark away from the Lido Isle shore and increase the length of starboard lay line, while keeping clear of the mooring field.

We will continue to post results after each race on the online official notice board.

Have a great day sailing.

Mark Townsend
Principal Race Officer
