5.2 This is a Bring Your Own Boat (BYOB) championship. The boats used in the National Championship may be chartered either from private owners or from manufacturers. It is of the utmost importance that they be treated with care at all times as the future of these events depends on being able to charter boats again. See Section Six with regard to insurance provisions.

5.3 If a boat is disabled and cannot be repaired before the next race, another boat, with the approval of the Organizing Authority, may be substituted and may continue to be used for the remaining races of the event. In such cases, the sails of the disabled boat shall be used if possible.

6.0 LIABILITY AND DAMAGE

6.1 At-fault occurrences to other boats are the responsibility of the helmsman. Contestants are not covered by any Liability Insurance provided by the host club and should provide their own coverage for personal goods and liability protection. US Sailing recommends those teams, or where minors are involved, their parents or guardians consult their own insurance carrier regarding additional personal liability insurance coverage

6.2 US Sailing does not require the use of hold harmless forms. It strongly recommends that organizing authorities seek local legal advice on the question and carry adequate insurance coverage such as that provided by the Regatta Liability Insurance Program endorsed by US Sailing.

6.3 Competitors participate in the regatta entirely at their own risk. See RRS 4, Decision to Race. The Organizing Authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the regatta.
