 - Final finishing position, not net points, determines an athlete's/team's points from an event and counts toward series standing; e.g.: 10th place = 10 points.
 - Scores from each event are added together for a total combined score; e.g.: 10th and 3rd place finishes add up to 13 points in the qualification system.
 - The scores of ineligible teams who compete in these events and finish ahead of eligible teams will still count in this scoring system when factoring an eligible team's score; e.g.: a 10th place finish is 10 points regardless of the eligibility of athletes/teams finishing in 1st through 9th.
 - Competitors must compete and be scored in both the first and second events to be eligible.
 - Competitors must sail the same class in both the first and second events to be eligible.
 - In double-handed classes, in the case that one of the athletes (either skipper or crew) is unable to compete at the second qualifying event, a substitute athlete may be approved by the OSC. Athletes shall submit requests for team composition changes in writing to the OSC by contacting US Sailing Youth Racing Events Manager, Catherine Shanahan at Youth@ussailing.org.
 - If there is a series-score tie between two or more boats, they shall be ranked in order of the better score at the second qualifying event.
 - If either the first or second event is a "non-event", as defined in the Notice of Race for that event, the remaining event will be the sole qualifier for that class.
 - If both the first and second events are "non-events", as defined in the Notice of Race for that event, OSC will select based on the following criteria:
 - All individuals must meet the eligibility requirements outlined in the Athlete Eligibility section in this document. Eligible athletes must submit their sailing resume and a 2020 training plan to US Sailing (Youth@ussailing.org) by September 1, 2020.
