CLINIC INFORMATION
The 2021 U.S. Junior Women’s Clinics are organized by the US Sailing Junior Women’s Championships Committee and made possible by the generous support of the C. Thomas Clagett Jr. Trust.

Due to the COVID-19 Pandemic, the U.S. Junior Women’s Singlehanded Championship for the Leiter Trophy and the U.S. Junior Women’s Doublehanded Championships for the Ida Lewis Trophy will not be contested in 2021. In place of these national championships, US Sailing is proud to offer a series of seven regional junior women’s clinics.

This unique, all girls regional clinic series provides junior sailors with a chance to build their skills in an all-female environment and foster friendships for a lifetime! The three-day clinic will be comprised of group presentations, on the water drills and practice racing. US Sailing Coaches are provided to lead training and coach all competitors to enhance the experience, sailing skills, and competitive sportsmanship of the group. No private coaching is allowed.

CLASSES
ILCA 4 (4.7), ILCA 6 (Radial), Club 420 (with trapeze and spinnaker) and 29er.

A fleet shall have a minimum of five (5) boats registered as of the registration deadline, or that fleet will be dropped from the clinic. Competitors will be notified and offered the opportunity to sail in another fleet. If they choose not to race in the other fleet, they will be refunded their entry fee.

ELIGIBILITY
Sailors must have reached their 13th birthday but not their 19th birthday during the calendar year of the clinic. Sailors must be individual or family members, all in good standing, of US Sailing at the time of registration and clinic. Competitors must be eligible to compete under the laws, regulations, policies and rules of USOPC or its affiliated organizations.

Sailors may only attend the clinic in the region of their permanent address (see list below). Exceptions must be cleared with the National Event Chair, Alana Marks (alanaoreilly@gmail.com) and approved at least two weeks ahead of the event start date.
