1 RULES

1.1 The Event will be governed by:
(a) the ‘rules’ as defined in the RRS including Appendix C, except as amended by the NOR and these SI.
(b) The rules for Handling of Boats (Addendum C of SI) which also applies to any practice sailing. Catalina 37 Class Rules shall not apply.
(c) The U.S. Sailing Championship Conditions can be found at https://www.ussailing.org/competition/resources/championship-conditions/
(e) U.S. Sailing Championships Code of Conduct which can be found at https://cdn.ussailing.org/wp-content/uploads/2018/01/FinalChampionships_CodeofConduct3-21-17-1.pdf

1.2 A boat may not request redress under RRS 62.1(a). The protest committee may call a hearing to consider redress under that rule if it believes that there is a significant reason for doing so. This changes RRS 60.1 and 62.1(a).

1.3 When a boat in a match fails to sail the course, she will be disqualified without a hearing and scored zero points unless both boats in the match have sailed the same course in which case the boats will be scored as if they had sailed the course. This changes RRS 28, 35, 63.1, 90.3(a), A5, and C10.7.

1.4 When the umpires proceed under RRS C8.6 they will follow the guidance in SI Addendum F.

1.5 Use of Personal Flotation
(a) US Sailing Regulation 10.04 A 1: “For US Sailing Adult qualifying and championship events in keelboats, each competitor shall wear a USCG approved PFD at all times while on the water, except for brief periods while adding or removing clothing.” This modifies RRS 40 and the preamble to Part 4.
(b) US Sailing Regulation 10.04 D: “A violation of this Instruction may be protested by race officials or a competitor; however, an inadvertent and momentary breach of this instruction may receive a penalty less than disqualification at the discretion of the protest committee. This changes rule 64.1.”

2 ENTRIES and ELIGIBILITY

2.1 Only skippers invited by the Invitation Committee of the U.S. Match Racing Championships Committee (USMRCC) will be eligible to enter this event. The skippers are listed in SI Addendum A.
2.2 To remain eligible, the entire crew shall complete registration, pay any entry fee, damage deposit of $3500 US and complete crew weighing.

2.3 The damage deposit is the limit of liability of each skipper for each incident. In the event that a deduction is made to the deposit, the skipper will be required to restore the deposit to the original value to maintain eligibility.

2.4 Each skipper is responsible for the damage or loss to their boat unless responsibility is otherwise assigned by the umpires.

2.5 After the warning signal for a match, the registered skipper shall not leave the helm, except in an emergency.

2.6 When a registered skipper is unable to continue in the event, the OA may authorize an original crew member to substitute in accordance with Championship Conditions and the USMRC Conditions.

2.7 When a registered crew member is unable to continue in the event, the OA may authorize a substitute, a temporary substitute or other adjustment in accordance with the Championship Conditions and the USMRC Conditions.

4.2 Code flag Lima over a numeral pennant corresponding to the number of the most recent change will be hoisted from the LBYC flagstaff to signal the change.

4.3 Oral amendments made afloat per RRS 90.2(c) will be signaled by the display of the Lima flag with three sound signals. Competitors are then instructed to sail near the RC signal boat to receive instructions. An umpire may also communicate these changes either verbally or in writing.

5.1 The event will be sailed in Catalina 37 type boats, provided by the OA.

5.2 11 boats will be provided.

5.3 Boats shall be supplied with a mainsail, a genoa, a jib and a spinnaker. Sails shall remain with the boats.

5.4 The OA or RC may require rotation of sails for any reason. Rotation of sails by the OA or RC shall NOT be grounds for redress by a competitor. This changes RRS 62.1(a).

5.5 The RC will decide which boats are to be used for each stage and when they decide a boat should not be used, the skipper assigned that boat will be given the temporary use of another boat.

The Organizing Authority in conjunction with the Race Committee shall determine actions and decisions to be taken regarding results when not resolved by RRS Appendix C.”
8.7 The intended time of the first attention signal each day will be announced at the daily competitors briefing.
8.8 Each subsequent flight will be started as soon as practicable.

The Belmont Pier is a hazard to navigation for boats sailing in the prestart area. In addition to concrete pilings and overhangs, there are light poles and fixtures and other equipment protruding from above.

a) No part of the boat shall come into contact with the Belmont Pier or its fixtures or attachments.

b) This area ranks as an obstruction and is the limit of safe pilotage for the purposes of Part 2 of the RRS.

10.5 **Belmont Pier Restriction Zone**
A number of purple buoys may be placed in a line parallel to the Belmont Pier, approximately one (1) boat length from the pier, creating a restricted area. (See diagram).

a) No part of a boat's hull shall enter the restricted area.

b) This area ranks as an obstruction and is the limit of safe pilotage for the purposes of Part 2 of the RRS.

c) There is no penalty for touching the buoys defining this area.

There are a number of small buoys laid parallel to the shoreline, just east of the Belmont Pier marking the Swimming area. The buoys are white and may have orange and/or black markings. (SEE AERIAL PHOTO BELOW).

a) No part of a boat's hull shall cross the imaginary straight line between any two adjacent buoys or their extensions.

b) This area ranks as an obstruction and is the limit of safe pilotage for the purposes of Part 2 of the RRS.

c) There is no penalty for touching the buoys defining this area.

Breaches of SI 10.4 (a), 10.5 (a) or 10.6 (a) are not open to protest by boats but may be subject to action by the umpires, in accordance with RRS C8.2. The umpires shall penalize a boat if they see a boat break these rules. **This changes RRS C6.2 and C8.2.**

10.10 Within a flight, when a visual signal is displayed over a numeral pennant, the signal applies only to that match.

11 BREAKDOWN AND TIME FOR REPAIRS
11.1 Before the attention signal of a flight or within two minutes of finishing or within five minutes of changing into a new boat, whichever is later, a boat may display flag L to signal breakdown or damage to the boat, her sails or injury to her crew and request a delay to the next start. She shall proceed as soon as possible to starboard of the RC boat and remain there, until otherwise directed.
11.2 The time allowed for repairs shall be at the sole discretion of the RC.
11.3 After the attention signal of a flight, a match will not be postponed or abandoned due to a breakdown unless the breakdown signal was displayed as required by SI 11.1.

13 CHANGE OF THE POSITION OF THE NEXT MARK
13.1 To change the position of the next mark, the RC will lay a new mark as soon as practicable. The change will be signaled before the leading boat has begun the leg toward the new mark, although the new mark may not yet be in position.
13.2 A change of course will be signaled near the mark beginning the leg being changed by an RC boat that will display code flag “C” over a pennant matching the color of the new mark and a numeral pennant corresponding to the match or matches affected and sound a horn periodically. This changes RRS 33.
13.3 Signaling Vessel
   (a) When a change of course is made for the first leg, the signal shall be displayed from the RC signal boat with the preparatory signal. The preparatory signal shall be followed by a series of repetitive sound signals.
   (b) When a change of course is signaled after the first leg it shall be displayed from a boat in the vicinity of the Gate Marks.
13.4 The Finish Line Mark and/or Gate Marks may be adjusted by the RC without a signal if boats are on the first half of the leg.

(a) They are aware of the inherent element of risk involved in the sport (and these events in particular) and accept responsibility for the exposure of themselves, their crew and any boat supplied to them to such inherent risk whilst taking part in the event.
(b) They are responsible for the safety of themselves, their crew, their supplied boat and their other property whether afloat or ashore.
(c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions.
(d) By participating in any race, they are satisfied that any supplied boat is in good order, equipped to sail in the event and they are fit to participate.
(e) The provision of a race management team, safety boats, umpires and other officials and volunteers by the organizer does not relieve them of their own responsibilities.
(f) The provision of safety boat support is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances.
(g) They have considered their own personal insurance position and are satisfied they have adequate cover for the event.

When both boats break RRS 14, they should both receive a points penalty. If a competitor requests a hearing after a points penalty has been imposed, the protest committee may decide (in the hearing) to give a greater penalty.

Deductions from Damage Deposits

The assessment of damage level is only for the purpose of points penalties, and is not linked to any deductions from the competitor’s damage deposits. Monetary deductions are assessed separately after closer inspection by the OA ‘boat person’, and all damage costs are deducted from damage deposits irrespective of any penalty (or none) imposed under this system.
