US Sailing is committed to providing a healthy and positive environment free from abuse for all our members and the sailing community in the United States. US Sailing’s Athlete Safety program is a partnership with the US Center for SafeSport (the “Center”) and incorporates the Center’s comprehensive program of abuse prevention, including participant training and education, required prevention policies and best practice guidelines, and mandatory reporting requirements for adults. These measures are informed by experts in the field of child safety and are among the strongest safeguards found in youth-serving organizations.

What is the US Center for SafeSport?
Established in 2017, the U.S. Center for SafeSport is the independent and exclusive authority directed by Congress to prevent and respond to all forms of abuse and misconduct within the U.S. Olympic and Paralympic Movement. The Center is an independent, nonprofit 501(c)(3) organization headquartered in Denver, Colorado.

The Center receives, investigates, and responds to reports of abuse and misconduct from individuals affiliated with the U.S. Olympic and Paralympic Committee (USOPC) and its National Governing Bodies (NGBs). The Center ensures that the USOPC and NGBs properly apply policies and procedures to govern abuse prevention and maintains a database of individuals sanctioned from participation in their sport.

Throughout the Olympic and Paralympic Movement, the Center trains athletes, parents, coaches, volunteers, and organizations at all levels on best practices and principles for preventing abuse in sport settings. In doing so, the Center advances its mission of making athlete well-being the center of our nation’s sports culture through abuse prevention, education, and accountability.

What is the SafeSport Code?
The SafeSport Code establishes consistent standards of response and resolution to abuse and misconduct claims across the U.S. Olympic and Paralympic Movement. The USOPC, NGBs, and LAOs must comply, in all respects, with these policies and procedures as defined by the Code. All participants of these organizations are responsible for adhering to and understanding the Code.
What is the MAAPP?
The Minor Athlete Abuse Prevention Policies (“MAAPP”) is a collection of proactive prevention and training policies for the U.S. Olympic & Paralympic Movement. It has three primary components:

1. An Education and Training Policy,
2. Required Prevention Policies, and

The Center developed the MAAPP to assist National Governing Bodies, Paralympic Sport Organizations, Local Affiliated Organizations, the U.S. Olympic and Paralympic Committee, and other individuals to whom these policies apply in meeting their obligations under federal law.

Reporting Abuse and Misconduct.
The Center accepts all reports of sexual abuse and child abuse within the U.S. Olympic and Paralympic Movement. Report here if you have reasonable suspicion of sexual misconduct or harassment, child abuse (including child sexual abuse), or intimate relationships involving an imbalance of power.

The Center may also accept reports of emotional and physical misconduct (including but not limited to bullying, hazing, stalking, and harassment) within the U.S. Olympic and Paralympic Movement. Reports of emotional and physical misconduct can also be reported directly to your sport’s national governing body (NGB).

Please review Section VIII of this Handbook closely for further direction on reporting known or suspected abuse and misconduct.

III. Education and Training Policy

A. Mandatory Child Abuse Prevention Training for Adult Participants

1. Adult Participants Required to Complete Training
   a. The following Adult Participants must complete the SafeSport Trained Core either through the Center’s online training or the Center’s approved, in-person training:
      i. Adult Participants who have regular contact with any amateur athlete(s) who is a minor (see table under subsection F);
      ii. Adult Participants who have authority over any amateur athlete(s) who is a minor (see table under subsection F);
      iii. Adult Participants who are an employee or board member of US Sailing or a LAO.
   b. Adult Participants who are medical providers required to take training under Section (a) can take the Health Professionals Course in lieu of the SafeSport Trained Core.

   PLEASE SEE SUBSECTION H BELOW FOR A COMPLETE LIST OF INDIVIDUALS WHO ARE REQUIRED TO COMPLETE SAFESPORT TRAINED CORE.

2. Timing of Training
   Adult Participants must complete this training:
   a. Before regular contact with an amateur athlete who is a minor begins; and
   b. Within the first 45 days of either initial membership or upon beginning a new role subjecting the adult to this policy.

3. Refresher Training
   The above listed Adult Participants must complete a refresher course on an annual basis, beginning the calendar year after completing the SafeSport Trained Core. Every four years, Adult Participants will complete the SafeSport Trained Core training. Medical providers can take the Health Professionals Course in lieu of the SafeSport Trained Core and are required to take the refresher courses on an annual basis if they meet the criteria for A(1).

B. Minor Athlete Training Must Be Offered

1. US Sailing and LAOs, on an annual basis, must offer and, subject to parental consent, give training to Minor Athletes on the prevention and reporting of child abuse.

2. The Center offers youth courses, located at safesporttrained.org that meet this requirement.

C. Parent Training Must Be Offered
1. US Sailing and LAOs, on an annual basis, must offer training to parents on the prevention and reporting of child abuse.

2. The Center offers a parent course, located at safesporttrained.org, that meets this requirement.

D. Optional Training

1. Adult Participants serving in a volunteer capacity, who will not have regular contact with or authority over Minor Athletes, should take the Center’s brief Volunteer Course (or SafeSport Trained Core) before engaging or interacting with any Minor Athlete(s).

2. US Sailing and LAOs may provide training in addition to the SafeSport Trained Core, although they cannot refer to this training as “SafeSport” training. Training other than the SafeSport Trained Core or Refresher does not satisfy this policy.

3. Parents of Minor Athletes are provided free online access to the Center’s parent course and are encouraged to take the training.

E. Exemptions and Accommodations

1. Exemptions from this Education & Training Policy may be made on a case-by-case basis for victims/survivors. Requests may be made directly to the U.S. Center for SafeSport at exemptions@safesport.org.

2. The Center will work with US Sailing and LAOs on appropriate accommodations for persons with disabilities and individuals with limited English proficiency to satisfy these training requirements. US Sailing and LAOs must provide reasonable accommodations and track any exemptions for individuals with disabilities and individuals with limited English proficiency.

IV. Required Policies For One-On-One Interactions

The U.S. Center for SafeSport recognizes that youth-adult relationships can be healthy and valuable for development. Policies on one-on-one interactions protect children while allowing for these beneficial relationships. As child sexual abuse is often perpetrated in isolated, one-on-one situations, it is critical that organizations limit such interactions between youth and adults and implement programs that reduce the risk of sexual abuse.

1. ONE-ON-ONE INTERACTIONS POLICY

A. Mandatory Components

1. Observable and Interruptible
   a. All one-on-one In-Program Contact between an Adult Participant and a Minor Athlete must be observable and interruptible, except in emergency circumstances.
   b. The exceptions below may apply to specific policies, and if the exceptions apply, they are listed in the policy. These exceptions also apply to all one-on-one In-Program Contact not specifically addressed in other policies:
      i. When a Dual Relationship exists; or
      ii. When the Close-in-Age Exception applies; or
      iii. If a Minor Athlete needs a Personal Care Assistant, and:
         (1) the Minor Athlete’s parent/guardian has provided written consent to US Sailing or the LAO for the Adult Participant Personal Care Assistant to work with the Minor Athlete; and
         (2) the Adult Participant Personal Care Assistant has complied with the Education & Training Policy; and
         (3) the Adult Participant Personal Care Assistant has complied with the US Sailing or the LAO’s screening policy; or
   iv. In other circumstances specifically addressed in this policy that allow for certain one-on-one interactions if US Sailing or a LAO receives parent/guardian consent.
2. MEETINGS AND TRAINING SESSIONS

A. Mandatory Components

1. Observable and Interruptible
   Adult Participants must follow the one-on-one interaction policy in all meetings and
   training sessions where Minor Athlete(s) are present.

2. Individual Training Sessions
   a. One-on-one, In-Program, individual training sessions must be observable and
      interruptible except if:
      i. A Dual Relationship exists; or
      ii. The Close-in-Age Exception applies; or
      iii. A Minor Athlete needs a Personal Care Assistant, and:
         (1) the Minor Athlete’s parent/guardian has provided written consent to
             US Sailing or the LAO for the Adult Participant Personal Care
             Assistant to work with the Minor Athlete; and
         (2) the Adult Participant Personal Care Assistant has complied with the
             Education & Training Policy; and
         (3) the Adult Participant Personal Care Assistant has complied with the
             US Sailing or the LAO’s screening policy.
   b. The Adult Participant providing the individual training session must receive
      advance, written consent from the Minor Athlete’s parent/guardian at least
      annually, which can be withdrawn at any time; and
   c. Parents/guardians must be allowed to observe the individual training session.

3. Meetings with licensed mental health care professionals and health care providers
   (other than athletic trainers\(^2\))
   If a licensed mental health care professional or licensed health care provider meets one-
   on-one with a Minor Athlete at a sanctioned event or a facility, which is partially or
   fully under US Sailing or a LAO’s jurisdiction, the meeting must be observable and
   interruptible except:
   a. If the door remains unlocked; and
   b. Another adult is present at the facility and notified that a meeting is
      occurring, although the Minor Athlete’s identity needs not be disclosed; and
   c. US Sailing or the LAO is notified that the provider will be meeting with a Minor
      Athlete; and
   d. The provider obtains consent consistent with applicable laws and ethical standards,
      which can be withdrawn at any time.

---
\(^2\) Athletic trainers who are covered under these policies must follow the “Athletic Training Modalities, Massages,
and Rubdowns” policy.
B. Recommended Components

1. Monitoring
   If a permitted meeting or training session takes place between an Adult Participant(s) and a Minor Athlete(s) at a facility partially or fully under the jurisdiction of US Sailing or a LAO, another Adult Participant will monitor each meeting or training session.    b. US Sailing is not required to track individual course completions of Minor Athletes.

3. US Sailing and LAOs must, on an annual basis, offer training to parents on the prevention and reporting of child abuse.

B. Required Prevention Policies and Implementation

1. US Sailing must develop minor athlete abuse prevention policies that contain the mandatory components in Section IV. These model policies cover:

4. US Sailing and LAOs must implement these policies for all In-Program Contact.
   a. At sanctioned events and facilities partially or fully under its jurisdiction, US Sailing and LAOs must take steps to ensure the policies are implemented and followed.
   b. For In-Program Contact that occurs outside US Sailing or a LAO’s sanctioned event or facilities, implementing these policies means:
      i. Communicating the policies to individuals under its jurisdiction;
      ii. Establishing a reporting mechanism for violations of the policies;
      iii. Investigating and enforcing violations of the policies.

5. US Sailing and LAOs must have a reporting mechanism to accept reports that an Adult Participant is violating US Sailing LAO MAAPP requirements. US Sailing LAO must appropriately investigate and resolve any reports received, unless the violation is reported to the Center and it exercises jurisdiction over the report. This requirement is in addition to requirements to report abuse under the SafeSport Code.

C. Policy Approval and Submission Process

1. US Sailing may adopt the MAAPP as-is or adapt it to fit their needs. Regardless, US Sailing must submit its policies to the Center at compliance@safesport.org for review and approval by January 31, 2021. The Center will approve, approve with modifications, or deny the policies. If the Center denies the proposed policy, the mandatory components of Section IV become the default policy until the Center approves the policy.

2. US Sailing must require its LAOs to incorporate the mandatory components of Section IV. US Sailing may require its LAOs implement US Sailing policies, which may be more stringent than the policies in Section IV.

3. US Sailing may, in its discretion, require its National Member Organizations (NMO) to implement these policies.
   • If US Sailing chooses to require its NMOs to implement the Education & Training Policy it must obtain advanced, written approval from the Center to expand the training access to additional persons. Requests must be submitted to ngservices@safesport.org.

4. The mandatory components of Section IV will serve as the default policy for any organization that fails to develop its own policy as required by this section.
